### **OPERATIONAL CONTEXT**

In response to the exponential turn in the refugee and migrant crisis impacting Europe since the beginning of 2015, UNHCR Office in Greece mobilized efforts to assist the Government in identifying the needs and protection concerns of the refugees. UNHCR coordinates and promotes the implementation of its mandate within the framework of the Refugee Coordination Model with the government, civil society (IPs and Ops) and other relevant international and national stakeholders to provide protection and assistance to the thousands of women, men, boys and girls who found themselves in Greece.

### **FUNCTIONAL STATEMENT**

The incumbent normally receives guidance from more senior programme staff in the operation. He/she may receive indirect guidance from other sections and units relevant to the country programme(s). UNHCR Manual, Operations Plans, UN and UNHCR financial/budgetary rules and regulations will guide the work of the Programme Associate. S/he is expected to stay abreast of the challenges posed to the region by the political context, the UN and humanitarian reform and institutional developments.

The incumbent is expected to have contacts within the organization and outside the duty station, as well as with partners and other stakeholders to collect information, monitor programme activities and implement administrative requirements.

### **Accountability**

- The needs of persons of concern in the country are assessed and analysed in a participatory manner and using an Age, Gender and Diversity (AGD) perspective to form a firm basis for planning.
- IP agreements are established in a timely manner, regularly monitored and reported on in compliance with established guidelines and procedures.

### **Responsibility**

- Assist in negotiating agreements with implementing partners and ensure that IP agreements are established in conformity with UNHCR's financial rules and the latest Headquarters' instructions.
- Undertake proper collection, monitoring and use of baselines, standards and indicators needed to measure and analyse programme performance, trends and target interventions.
- Review the implementation and performance of IPs agreements through appropriate physical monitoring to evaluate the projects by reviewing work plans, progress reports, budget, financial reports and expenditures; undertake field visits as required.
